RECOGNIZING PUBLIC HEALTH HEROES WORKING TIRELESSLY
BEHIND THE SCENES TO KEEP COMMUNITIES HEALTHY AND SAFE

ANNE MARIE HOLT

Director, Health Protection

HOW I'M HELPING TO KEEP COMMUNITIES SAFE RIGHT NOW

Working with our public health leadership team to implement provincial objectives to manage our outbreak response. Managing planning and operations teams of our pandemic response.

MY MESSAGE TO THE PUBLIC DURING THESE CHALLENGING TIMES

“When it comes to the health of our community, there is no ‘them’ only ‘us’. We are all in this together”

MY ROLE IN PUBLIC HEALTH

What I’m championing every day to keep communities healthy:

Prompt management of cases and outbreaks in our local communities.

What I would like to see for the future of public health:

Through our collective efforts we address the cracks in our foundation and there is a stronger recognition of the role of prevention, protection and promotion of health.
