HOW I'M HELPING TO KEEP COMMUNITIES SAFE RIGHT NOW

Working with team members to develop communication materials to keep residents informed about COVID-19 and the public health measures designed to keep them safe.

MY MESSAGE TO THE PUBLIC DURING THESE CHALLENGING TIMES

*“Listening and learning
from each other makes
us all more
knowledgeable and
stronger.”*

MY ROLE IN PUBLIC HEALTH

What I'm championing every day to keep communities healthy:

I lead a creative team that works to educate and inform our residents using plain language, interesting design and a variety of platforms so that we can reach people with the information they need in the way they want to receive it.

What I would like to see for the future of public health: For people to continue to recognize the importance of public health and the critical role it plays in keeping us healthy and safe.
