RECOGNIZING PUBLIC HEALTH HEROES WORKING TIRELESSLY
BEHIND THE SCENES TO KEEP COMMUNITIES HEALTHY AND SAFE

HOW I'M HELPING TO KEEP COMMUNITIES SAFE RIGHT NOW

Case management support, ID telephone line support, and facility (long term care & retirement homes) liaison support.

MY MESSAGE TO THE PUBLIC DURING THESE CHALLENGING TIMES

"Today's curse, is tomorrow's blessings".

MY ROLE IN PUBLIC HEALTH

What I'm championing every day to keep communities healthy:

As a registered dental hygienist I support, promote & provide preventive oral health services; and facilitate families in accessing Healthy Smiles Ontario. "Oral health for total health!"

What I would like to see for the future of public health:

I would like the government to recognize the vital role public health has on health, and commit to a budget the supports public health infrastructure. Additionally, PH employees must stay advanced with technology and education.
