RECOGNIZING PUBLIC HEALTH HEROES WORKING TIRELESSLY  
BEHIND THE SCENES TO KEEP COMMUNITIES HEALTHY AND SAFE

## Organizational Support Services

### HOW WE ARE HELPING TO KEEP COMMUNITIES SAFE RIGHT NOW

We ensure that nothing falls apart so that our colleagues can always be at their best. We keep our IT functioning, our offices clean, and provide the necessary resources to enable our staff to work from home, to have a safe environment when in the office, to have appropriate personal protective equipment when they provide direct client services and the right team members at their side to deal with the additional challenges from COVID-19.

### OUR MESSAGE TO THE PUBLIC DURING THESE CHALLENGING TIMES

Stay strong, determined and remember to support one another in “any” and “every” way possible. We’re all in this together and will come out of it stronger than we were before.

## OUR ROLE IN PUBLIC HEALTH

### What we champion every day to keep communities healthy:

Our organizational support team includes Human Resources, Finance, Information Technology, Resource Management, Property Management and Custodial Services.

### What we would like to see for the future of public health:

Numerous skills are required to successfully weather a storm. We see these challenges as an opportunity to strengthen the core foundations of public health.
