HOW I'M HELPING TO KEEP COMMUNITIES SAFE RIGHT NOW

My role with the SMDHU has been changed from providing dental services in the HSO Clinics to coordination of swabs for testing of Covid -19. Each week we provide coordination of orders, delivery and tracking of testing swabs to hospitals, assessment centres, Long Term Care Homes, Retirement Homes and branch offices.

MY MESSAGE TO THE PUBLIC DURING THESE CHALLENGING TIMES

"Act as if what you do makes a difference. IT DOES." – William James

MY ROLE IN PUBLIC HEALTH

What I'm championing every day to keep communities healthy:

My day to day role with the SMDHU is to provide optimum dental services and care to clients who may not be able to access care without our clinics.

What I would like to see for the future of public health:

The SMDHU staff does a fantastic job at providing care and support to keep the community safe and to assist in healthy living. May we all continue to do our best wherever that may take us in the future.
